Getting to the Community Centre

It's a 2 - 3 minute walk to the community centre from the PHSC main entry /school reception on Arnold Street.

Students are advised to leave at least 5-minutes before their scheduled lesson time, considering the following:

- Classroom location
- Do you need to get books from your locker?
- Do you need to go to the music storeroom to collect your instrument?

For example;

- *If you have a voice lesson and are in Room 101, it will take you no more than 3 minutes to get to 1C1*

- *If you have a Violin lesson, are in Room 321 and need to collect your instrument, it will take you 5 - 6 minutes to get to Room 1C2*
